### **TEREX WELCOMES CENTRAL JERSEY CONSTRUCTION EQUIPMENT AS NEW FULL LINE COMPACT EQUIPMENT DISTRIBUTOR**

**Bayville, N.J.** - (October 27, 2011) - Central Jersey Construction Equipment now distributes the full line of Terex® compact construction equipment, adding skid steer loaders and compact track loaders to their current Terex equipment offering. Central Jersey Construction Equipment provides sales, service, parts and rental options for customers in the New Jersey area.

“We are pleased to continue to grow our relationship with Central Jersey Construction Equipment,” said Dean Barley, general manager, Terex Construction Americas. “They have been an excellent distributor for Terex wheel loaders, excavators and loader backhoes for more than a decade, and with the addition of the skid steer loader and compact track loader lines, Central Jersey Construction Equipment is well-positioned to respond to customers’ unique equipment needs.”

According to Rob Mennona, owner and general manager of Central Jersey Construction Equipment, the Terex equipment line enables the company’s services and offerings to appeal to a wide customer base: Everything from large construction companies to independent contractors tackling smaller construction jobs. Central Jersey Construction Equipment also provides delivery and pick-up services, as well as service packages and in-house warranty work, to customers.

“The Terex brand offers our customers high-quality equipment at competitive sales and rental prices,” says Mennona. “We believe that taking on the additional Terex products at this time allows us to continue to put our best foot forward with our customers now and look for ways to expand our opportunities in the future.”

Mennona continues, “I really appreciate how Terex has gone the extra mile for my company time and again throughout the years; it is a philosophy that our businesses share. Each company has truly supported, and grown with, each other.”

In addition to offering a full line of products and services, qualified Central Jersey Construction Equipment customers who purchase Terex compact construction equipment have financing options through Terex Financial Services™. Terex Financial Services offers a wide range of finance and leasing solutions, structured to accommodate customers’ cash flow and budgets. The Terex Financial Services team is equipped to assist in all areas of asset management, from the analysis of future equipment values through the disposal of used equipment.

Central Jersey Construction Equipment is located at 252 Atlantic City Blvd., Bayville, NJ, and can be contacted at Phone: (732) 606-1002. Visit them online at [www.jerseyrents.com](http://www.jerseyrents.com).
